| <b>Impact of 2022-2023 Funding</b>                               | <p>1. <b>The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</b><br/> <a href="#">Further promote the positive relationship between regular physical activity and mental health and well-being.</a><br/>           Continued effective partnership working between sport coaches and P.E leader has supported the further development of the tracking and measurement of learners' progress within physical activity across the school. Information gained has informed the strategic planning of both P.E and active learning programmes for all learners across the school. Consequently, data shows that the numbers of learners who are competent in the different PE disciplines has increased by 17% at those working at expected and by 14% of those working at greater depth. A significant increase can also be seen in the percentage of learners working at greater depth as an 'Active &amp; Healthy Learner' with a 17% increase and as a reflective learner within PE, working within greater depth with a 32% increase. As a result, learners across the school are educated and encouraged to engage with and adopt healthy lifestyles both in and out of school.</p> <table border="1" data-bbox="403 925 1792 1173"> <thead> <tr> <th></th> <th>PRE</th> <th>POST</th> <th>PRE</th> <th>POST</th> <th>PRE</th> <th>POST</th> <th>PRE</th> <th>POST</th> <th>PRE</th> <th>POST</th> </tr> <tr> <th></th> <th>Yes, a lot</th> <th></th> <th>Yes, a bit</th> <th></th> <th>Not sure</th> <th></th> <th>No, not much</th> <th></th> <th>No, not at all</th> <th></th> </tr> <tr> <th></th> <th>%</th> <th></th> <th>%</th> <th></th> <th>%</th> <th></th> <th>%</th> <th></th> <th>%</th> <th></th> </tr> </thead> <tbody> <tr> <td>I like taking part in physical activity at school</td> <td>83</td> <td>85</td> <td>5</td> <td>17</td> <td>11</td> <td>6</td> <td>0</td> <td>0</td> <td>0</td> <td>6</td> </tr> <tr> <td>I am physically active before school in the morning</td> <td>55</td> <td>67</td> <td>28</td> <td>17</td> <td>0</td> <td>0</td> <td>0</td> <td>6</td> <td>17</td> <td>11</td> </tr> <tr> <td>I am physically active during break time</td> <td>50</td> <td>72</td> <td>39</td> <td>28</td> <td>5</td> <td>0</td> <td>0</td> <td>0</td> <td>5</td> <td>0</td> </tr> <tr> <td>I am physically active during most of lunchtime</td> <td>33</td> <td>72</td> <td>33</td> <td>28</td> <td>22</td> <td>0</td> <td>5</td> <td>0</td> <td>5</td> <td>0</td> </tr> <tr> <td>I am able to be physically active in morning classroom lessons</td> <td>0</td> <td>84</td> <td>0</td> <td>11</td> <td>0</td> <td>0</td> <td>89</td> <td>0</td> <td>11</td> <td>0</td> </tr> <tr> <td>I am able to be physically active in afternoon classroom lessons</td> <td>0</td> <td>67</td> <td>0</td> <td>22</td> <td>0</td> <td>0</td> <td>0</td> <td>0</td> <td>100</td> <td>0</td> </tr> <tr> <td>I take part in sports clubs at school Monday Ball club</td> <td>33</td> <td>61</td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>I take part in sports clubs at school Tuesday Inspire Dance</td> <td>55</td> <td>67</td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> <tr> <td>I take part in sports clubs at school Wednesday gardening</td> <td></td> <td>39</td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> <td></td> </tr> </tbody> </table> <p>From a focus on active lifestyle, the above results has come back positively from the questionnaire which was undertaken.</p> <p>2. <b>The profile of PE and sport being raised across the school as a tool for whole school improvement</b><br/> <a href="#">Maximise the school's 'active learning' break time and lunchtimes programmes to target and improve outcomes for learners with SEND in managing their well-being through 'active learning' opportunities.</a></p> |      | PRE        | POST | PRE      | POST | PRE          | POST | PRE            | POST | PRE | POST |  | Yes, a lot |  | Yes, a bit |  | Not sure |  | No, not much |  | No, not at all |  |  | % |  | % |  | % |  | % |  | % |  | I like taking part in physical activity at school | 83 | 85 | 5 | 17 | 11 | 6 | 0 | 0 | 0 | 6 | I am physically active before school in the morning | 55 | 67 | 28 | 17 | 0 | 0 | 0 | 6 | 17 | 11 | I am physically active during break time | 50 | 72 | 39 | 28 | 5 | 0 | 0 | 0 | 5 | 0 | I am physically active during most of lunchtime | 33 | 72 | 33 | 28 | 22 | 0 | 5 | 0 | 5 | 0 | I am able to be physically active in morning classroom lessons | 0 | 84 | 0 | 11 | 0 | 0 | 89 | 0 | 11 | 0 | I am able to be physically active in afternoon classroom lessons | 0 | 67 | 0 | 22 | 0 | 0 | 0 | 0 | 100 | 0 | I take part in sports clubs at school Monday Ball club | 33 | 61 |  |  |  |  |  |  |  |  | I take part in sports clubs at school Tuesday Inspire Dance | 55 | 67 |  |  |  |  |  |  |  |  | I take part in sports clubs at school Wednesday gardening |  | 39 |  |  |  |  |  |  |  |  |

|                                                        | <p>Improved use of the P.E lead to plan, teach and assess P.E and liaise with class teachers across the school and key stages has improved the frequency, consistency and profile across the school. P.E is consistently taught through the use of long- and medium-term plans alongside linked assessment for greater, personalised progression of skills. The P.E lead has effectively coordinated a programme of extra-curricular opportunities linked to the interest of the learners for motivational physical development to further enhance curricular provision and develop healthy life-style.</p> <p>Building on improvements made last year, for the most vulnerable learners experiencing positive and socially enriching break times and lunch times, the increased use of active learning strategies and P.E resources have had a significant positive impact upon skills development, cooperative learning and enjoyment of social time. These inclusive opportunities have benefitted all learners across the school and supported inclusive social times.</p> <p><b>3. Increased confidence, knowledge and skills of all staff in teaching PE and sport</b><br/>Further develop the upskilling of teachers in the assessment and tracking of both PE skills and the engagement in physical activity to inform daily learning opportunities and targeted intervention.</p> <p>As a result of observation and personalised support around the assessment and tracking of PE, a number of staff members now demonstrate a greater understanding of the use of on-going assessment within PE to inform future learning progression within individual units and across disciplines. All staff have liaised with sports professionals and the PE Leader to ensure that opportunities for 'active learning' and PE are exploited across all subject areas. Links within PE sessions to other curriculum areas have also been explored, where relevant, encouraging learners to make links between different aspects of their learning.</p> <p><b>4. Broader experience of a range of sports and activities offered to all pupils</b><br/>Increase the range of sports and 'active learning' enrichment opportunities on offer to younger learners promoting the benefits of physical activity on well-being and mental health</p> <p>Careful planning of the school's 'active learning programme' and 'extended school' opportunities has ensured that learners have had access to an increasing range of physical activities. Uptake of these activities has varied as some activities have proved more popular than others. As a response 'pupil voice' has been used more to inform the choice of activities on offer to ensure that as many learners as possible engage in regular 'active learning' both in and out of school. Uptake data linked to these clubs shows that 74% of the school's learners access additional physical 'active learning' opportunities outside of P.E lessons. Recent parent questionnaire feedback demonstrates that 98% of parents felt that 'their child was offered a wide variety of clubs at break/lunchtimes and after school.</p> <p>All learners have had access to appropriate PE 'wear' and 'equipment' if this has not been provided by home. This has ensured that participation in daily 'physical activities' has been consistently high across the school.</p> <p><b>5. Increased participation in competitive sport</b><br/>Increase the opportunities for learners within KS1 to access competitive sports events both within school and through links with other local schools.</p> <p>As a result of partnership working with colleagues across the Biddulph Partnership Trust, all learners have had increased opportunities to participate in competitive sporting events locally. During 2022-2023 a particular focus was placed on 'sporting events' open to KS1 as this had previously been an area identified for improvement.</p> |
