

2nd November 2021

Dear Parent/Carer,

Flu Vaccination

Eligibility for The Childhood Flu Vaccination Programme 2021-2022 will include:

All Schools - Reception to Year 11.

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and can cause serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. With COVID-19 still in circulation, it is important to reduce the number of those becoming ill with flu this winter to help protect them, the NHS and social care. Research also shows that if you become unwell with both flu and COVID-19 at the same time you may become seriously ill.

This vaccination is free and is a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year. If your child has a long-term medical condition they can access this vaccine both at your GP surgery or in School. For those children that cannot have the nasal spray, the injected flu vaccine is recommended.

Some people may not accept the use of porcine gelatine in medical products. The nasal flu vaccination is considered the most appropriate vaccine, however if this is not suitable, there is an **alternative injectable porcine free vaccine** available this year. This will be an injection, rather than a nasal spray and may need to be given in a clinic setting, rather than school. If you would like your child to receive the alternative vaccination, please tick the relevant box on the consent page of the e-consent form.

For further information see:

www.mpft.nhs.uk/services/school-age-immunisation

www.nhs.uk/conditions/vaccinations/child-flu-vaccine/

Electronic Consent - The School Age Immunisation Team is moving towards paperless vaccination programmes and the use of e-Consent is quick and easy to use, and can be completed on any electronic device.

Click on this link <https://forms.mpft.nhs.uk/> to complete the consent form.

Your school Code is **SS124062**

Please complete the e-consent form by **9am on 19th November 2021**

Your school will tell you the date that your child will have the vaccination; children who do not receive the vaccination at school will be able to have it at one of our community clinics. Information on how to arrange this will be sent to you, following the school vaccination session.

This school is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.

Please ensure that you complete and submit your child's consent form promptly, whether you wish your child to be immunised or not and only submit one consent form per child. If you have any concerns or would like to discuss further please do not hesitate to contact a member of the Immunisation Team on 03001240366 or email school.immunisation@mpft.nhs.uk

If your child has already received this immunisation via your GP Practice, please contact us at school.immunisation@mpft.nhs.uk or call 0300 124 0366 to advise.

If your child is asthmatic and there are any changes to their health 14 days before the vaccination date YOU MUST contact the immunisation team on 0300 124 0366 as your child may not be well enough to receive the vaccination. These include, if your child:

- Becomes wheezy
- Has required oral steroids
- Has increased their asthma medication

If you have any further questions or need more information, please contact the School Age Immunisation Team rather than the school on 0300 124 0366.
