

Tuesday 1st February 2022

Parents Consultation Afternoon/Evening

Dear Parents/Carers,

We would like to invite you to attend our Spring Term Parents Consultation Afternoon/Evening. Appointments can be booked for **Wednesday 9th February 2022** from between 1.30pm - 4.30pm and 5.30pm - 7.00pm.

This term we will be going back to holding our Parent Consultations in person. As Covid is still with us, there will be a number of 'protective measures' in place in order to try and keep all members of our school's learning community as safe as possible. **Appointments will take place in the library and school hall. Teachers stations will be socially distanced, areas will be well ventilated (so wrap up warm!), and we are asking you to wear a face covering, unless you are exempt.**

We very much view successful learning as a partnership between home and school and see this as an important opportunity for you to come along with your child in order to celebrate their achievements to date and discuss their future learning targets and developments.

Parents choosing to attend the afternoon session will be able to be joined by their child during the consultation meeting.

To ensure that you book an appointment time suitable for you, please can you complete the link on the bottom of this letter. We will try our best to accommodate the times you have requested and will inform you of your appointment time by text message.

If you have any questions about any of the above, please do not hesitate to contact a member of staff.

Yours sincerely,

Mrs E. J. Pickford (Headteacher)

This school is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.
