## Homework

Discussion homework and linked tasks are set weekly on a Monday.

You can have a paper copy in a homework book or login to Google Classroom to access online.

There are lots of lovely things to help you in the Google Classroom and I can give you feedback or answer questions.

## Spellings and Reading

NEW spellings will be added to Google classrooms each Friday and will be stuck into spelling books. The spelling books need to be in school each day, particularly on a Friday.

Please practice for the Friday spelling test each week.

Please read at least three times a week and log it in your child's reading diary.

**Questions or Conversations** If you have any questions or need to speak to me for any reason, feel free to chat to me in the mornings when the children come in or at home time.

## Reading Books

Your child will have a paper-based book to bring home and they will also have books allocated on Bug Club.

As your child becomes a more confident reader, it is crucial that they still read their book out loud to a grown up. The discussion about the book is very important. Ask your child about the characters, the setting, why they think that events are unfolding etc.

As your children develop their reading skills, they will be reading longer books. Due to this, they may not need to be changed so regularly. When the children have finished their books, they can choose a new one from the selection.
