

Inspire Maths Overview of Units

Unit	Inspire Maths 1	Inspire Maths 2	Inspire Maths 3	Inspire Maths 4
1	Numbers to 10	Numbers to 1000	Numbers to 10 000	Whole Numbers (1)
2	Number Bonds	Addition and Subtraction within 1000	Addition of Numbers within 10 000	Whole Numbers (2)
3	Addition within 10	Using Models: Addition and Subtraction	Subtraction of numbers within 10 000	Whole Numbers (3)
4	Subtraction within 10	Multiplication and Division	Solving Word Problems 1: Addition and Subtraction	Tables and Line Graphs
5	Shapes and Patterns	Multiplying by 2 and 3	Multiplying by 6, 7, 8 and 9	Fractions
6	Ordinal numbers	Multiplying by 4, 5 and 10	Multiplication	Angles
7	Numbers to 20	Using Models: Multiplication and Division	Division	Perpendicular and Parallel Lines
8	Addition and Subtraction within 20	Length	Solving Word Problems 2: Multiplication and Division	Squares and Rectangles
9	Length	Mass	Mental Calculations	Decimals (1)
10	Mass	Mental Calculations	Money	Decimals (2)
11	Picture Graphs	Money	Length, Mass and Volume	Time
12	Numbers to 40	Fractions	Solving Word Problems: Length, Mass and Volume	Area and Perimeter
13	Mental Calculations	Time	Bar Graphs	Symmetry
14	Multiplication	Volume	Fractions	Tessellations
15	Division	Graphs	Time	
16	Time	Lines and Surfaces	Angles	
17	Numbers to 100	Shapes and Patterns	Perpendicular and Parallel Lines	
18	Money (1)		Area and Perimeter	
19	Money (2)
