

Dear Parents and Carers,

**Chinese School Day - Monday 7<sup>th</sup> July 2025**

We have an exciting, themed learning event planned for Monday 7<sup>th</sup> July as Hyra go to 'Chinese School'. Your child will spend the day learning about a very different type of education! This themed day will take place in their usual classroom.

**Leap into Learning Events include:**

- A pledge to China followed by exercise on the yard
- School chores to develop pride in their school
- Writing with Chinese symbols
- Exploring Chinese tangrams
- Chinese fans - art
- Chinese themed dance

To help your child to prepare for Chinese School and gain the most from this exciting day, we would greatly appreciate it if you could provide a themed costume. Your child could wear a plain dressing gown and/or plain pyjamas or a plain tee shirt and cropped trousers, plain trousers or leggings. They could wear a traditional Chinese costume but **there is no requirement to purchase a costume for one day.**

Many thanks for your support.

Yours sincerely,  
Mrs. Preston & Mrs. Miller

This school is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.
