

Tuesday 7th October 2025

Dear Parents and Carers,

We are excited to introduce a new initiative at our school called **Wonder Wednesday** - a special outdoor learning experience designed to spark curiosity, creativity, and a sense of awe in nature.

Starting this term, children will take part in outdoor learning activities on Wednesday afternoons. These sessions will include engaging experiences such as **texture rubbings, nature walks, art, den building, and learning directions**. Our aim is to nurture children's well-being and mental health through meaningful time spent in the natural environment.

Timetable:

- **Reception:** Weekly Wonder Wednesday sessions.
- **Hydra and Draco Classes:** Fortnightly sessions.

What your child will need:

To ensure children can fully enjoy these sessions, please send them to school with:

- **Old clothes** suitable for outdoor play and exploration.
- **Wellington boots** in a named bag.
- A **waterproof coat** to keep them dry in case of rain.

Wonder Wednesday is a wonderful opportunity for children to explore, discover, and connect with the world around them. We believe these experiences will support their learning and emotional development in an exciting and memorable way.

Thank you for your support in helping us make this a magical part of their school week.

Warm regards, Mrs. E J Pickford and Team

This school is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.
