

Jungle Explorers

In class we will be reading lots of different books about animals in the Jungle. To support your child encourage them talk about the stories we read and you could share your own jungle stories!

We will be exploring different text and vocabulary this half term we are focusing on joining in with simple rhymes and repeating phrases in stories.

For example:

"That's not my mum" - monkey puzzle

"Walking through the jungle" - Walking through the jungle

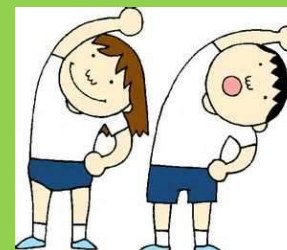

"The animals went in 2 by 2" - Noah's Ark

During this half term in topic we will be learning about the different animals that live in the jungle. What they look (describing words), what they eat, where do they sleep/live.

In PE we will be learning how to move our bodies in various ways to create animal movements. We will also look at linking this to music and creating different animal sounds.

Slithering snakes

Leaping leopards

Running rhinos

Jumping frogs
