Local Area/Community Update

Dear Parent/Carer,

We have been made aware of a **local incident and on-going Police investigation following a reported serious incident in the Knypersley area**. Whilst there is no direct impact to our school community, we are encouraging you to review your travel arrangements, particularly when your child/children are travelling to and from school.

It is advisable that children are accompanied by an appropriate adult and stick to safe and familiar routes. If your child usually walks to and from school on their own you may want to change this arrangement in light of the reported local incident.

Safeguarding remains a key priority of our school and if there is any further information that is relevant to our school community, we will keep you updated.

Yours sincerely,

Mrs E. J. Pickford (Headteacher) & Team
